

## ***TEARDROPS OF LIFE BANNER PROGRAM***

You're invited to participate in a special program to honor your loved one and help spread the word about the importance of tissue donation.

The Teardrops of Life program consists of banners designed with teardrops in memory of your loved one. The teardrop is part of our logo symbolizing how a donor family's grief can be transformed to help others through the gift of tissue.

Banners will be used to increase awareness of the importance of tissue donation and pay tribute to generous donors and their families. Banners will be displayed at donor memorial ceremonies, hospital and health-related functions and community events.

Please complete and sign the permission form and return to: ATSF, Jeanette Potts, 1113 W. Kennedy Ave, Suite C., Kimberly, WI 54136.
